

WEDDING CHARTERS

Transport guests to and from your
wedding in comfort & style.

 CURRUMBIN VALLEY
BUS & COACH

Currumbin Valley Bus and Coach provide a wedding charter service to transport guests to & from your wedding.

The Gold and Tweed Coast region is a stunning location for weddings and is home to a growing number boutique venues. These venues often have limited car parking and are some distance from accommodation. We work with you or your wedding coordinator to arrange guest pick up to ensure they arrive in comfort and on time to your wedding.

Drivers are experienced in working with guests and maneuvering in and out of difficult locations. They keep your guests informed on the journey to the wedding and also remind them of the pick up time.

We have experience working with many hinterland and coastal venues and look forward to working with you on your special day.
